APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the stream system of which this source is a part. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 600 acre cubic feet per second annum.

Actual construction work shall begin on or before June 23, 1915.

Proof of commencement of work shall be filed before July 23, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before June 23, 1917.

Application of water to beneficial use shall be made on or before November 23, 1920. Proof of the application of water to beneficial

use must be filed with State Engineer on or before December 23, 1920.

Proof of labor filed AUG - 9 1915

WITNESS MY HAND AND SEAL this 23rd day
